

Welcome to the New Department of Personnel & Administration (DPA), Division of Central Services (DCS), IDS website.

The Department goal was to make a more modern, user-friendly environment for all our customers and the public. **IDS encourages you to familiarize yourself with our new site**, take some time to navigate through the DCS and IDS pages, www.colorado.gov/dcs, and let us know your thoughts on how we could improve on your experience, dpa_comments@state.co.us. There will be some minor glitches during this initial launch period, so please bear with us as we are working hard to correct any errors.

The **Top Navigation Bar** will show on all the Division/unit pages and will help navigate through various topics for the entire DPA site.

A **Carousel/Slider** is located on the Division home page and includes each of DCS' four units and more. You may click on each unit photo to take you to the individual website, and circles or arrows to help navigate through each slide.

The **Links Tab** will include DCS work units, most visited pages, and other various topics or resources.

The **What's New Section** will include any of DCS unit's news items, from articles, videos, events to auctions, awards, and more. The newest of news will show at the top of the list. Click on the *view all* to see all news topics.

The **Alpha Index** is an alphabetized list of topics that pertain to each of our units, and with various titles to help fit your needs.

The **FAQ Section** contains lists of facts per unit. (Still in process, IDS to come)

The **Events Calendar** is to include various items, such as meetings, tours, on goings, etc. that could pertain to either DPA or DCS at this time. (Still in process)

If at any time you cannot find the information you are looking for through the top navigation links or the search bar, please contact ids.customerservice@state.co.us and one of the Customer Services Reps will assist you or the Division of Central Services Communications/Marketing Coordinator, Barbara.Novak@state.co.us.
